

## 2022 Statewide College Scholarship Program

### IRS Buffalo Now Accepting College Scholarship Applications

IRS Buffalo is offering college-bound high school seniors the opportunity to compete for statewide college scholarships through the New York Credit Union Association's College Scholarship Program. Scholarships may be used at a two- or four-year accredited educational institution. In 2021, the New York Credit Union Association awarded \$30,750 in college scholarships, ranging from \$500 to \$1,500, to 41 students.

Students can take advantage of this opportunity by completing these steps:

1. Visit the [www.irsbflofcu.org](http://www.irsbflofcu.org) to download an application. The student will need to contact the credit union directly to obtain a credit union verification code to verify eligibility. If the student is not a member of IRS Buffalo FCU, he/she can request a membership packet as well. (All scholarship applicants are required to be members of a participating New York credit union.)
2. Complete the application form and required essay and obtain the required transcripts, along with the signature of a parent or guardian.
3. Upload and submit the completed application and supportive materials [online](#) no later than January 7, 2022.

There is no fee for submitting an application, but applicants **MUST** be:

- members of IRS Buffalo FCU;
- college-bound high school seniors at the time of application; and
- attending either a two- or four-year accredited educational institution for the first time in the fall of 2022.

In early spring, applications will be judged against other submissions statewide. Winners will be announced in May.
