

Depositing Checks is easy!!

Have a check to deposit? Not coming in the office? You can remote deposit your check using one of our Apps.

You must sign your check and then endorse the back of your check for mobile deposit with the following phrase:

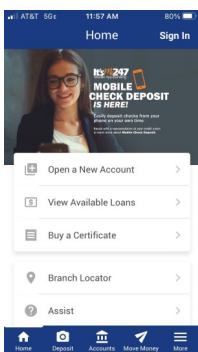

'For mobile deposit only at IRS Buffalo FCU'

Failure to do so will result in your deposit being rejected. The endorsement must also be legible or it will be rejected.

So if the Credit Union was depositing a check, the back would look like this:

IRS Buffalo FCU

For mobile deposit only at IRS Buffalo FCU

Thank you!
IRS Buffalo FCU
