

# Looking for a way to save money?

## Let the IRS Buffalo FCU review your car loan today!

Our new car loan rates are  
as low as 2.40%\*!

Our used car loan rates are  
as low as 3.15%\*!

When you bought your car, did the dealer ask you what you want to pay and for how long? Or did they just ask you how much you want to pay?

Have you looked at your contract? Dealers often meet your payment amount by putting you in loans with a high finance charge and a term for up to 84 months (7 years)!

We have saved members \$1,000's of dollars over the life of the loan with our lower rates!

So stop by today and let us help you save money!!!!

Rates subject to change. Rates shown include discount for payment directly from your IRS Buffalo FCU account. The rate may vary depending on each individual's credit history and underwriting factors.. Must qualify for a loan under our current Lending Policy. Must be new money.
