Student Loans through Sallie Mae

And more!

Are you into technology?

We are online

You have access to your account 24/7 via our website. You can check your balance, review transactions, pay bills, sign up for e-statements to avoid the \$2 printed statement fee, schedule transfers and much more, check it out! If you haven't signed in in more than 2 months we will need to reset your password. And once we do, the reset is good for 24 hours. This is for security reasons to protect you.. We recommend signing in once a month to avoid being locked out.

And we have apps

Search for IRS Buffalo FCU in the Android and Apple App Stores to access your account 24/7. Your sign in information is the same as your online one. And you have more authentication options! In addition to everything you can do online, you can deposit checks! Once you click deposit, we will be notified that you want remote deposit and approve you. Then you are good to go. Remember to endorse "For Remote Deposit Only at IRS Buffalo FCU" and sign the back.

Don't forget your ATM/MasterCard Debit Card

You can use your card to withdrawal money at an ATM. We are on the MoneyPass ATM surcharge free network [Find MoneyPass](#). In WNY, it is most 7-11's. You can even make cash deposits, if the ATM allows. Remember, you get 4 free ATM Transactions a month, then they are \$1 each. The surcharge is charged by the ATM operator, not us and is separate from the \$1 fee. If you are making a purchase, we recommend using your card like a credit card to avoid the \$1 fee and your limit is higher. Please visit our accounts page [IRS Buffalo FCU - Accounts](#)

irsbflofcu.org) for more on limits and hints for using the card.

Like to pay with your phone?

Our MasterCard Debit Card can be added to your digital wallet. So now paying for your purchases is just a tap away!
