## Manager's Message

Hi all!

Happy Holidays! Have you seen all of our Loan Specials? Visit our [website](#) for all the details. And remember, your immediate family and Federal Government co-workers can join too and save!

Don't forget, we still have discounted tickets available for holiday gift giving.

With the holidays, a few have asked about VISA gift cards. We discontinued them a few years ago. The cost was going up to over \$6/card and a few places locally were offering them for less than \$4, so we stopped selling them. Have a safe, healthy and happy holiday season!

Just for newsletter readers

We often get questions on loans with us so here is some information on our loans Our Car Loan amounts are based upon the dealer invoice for new and NADA value for used. And if you own you car free and clear, have you considered using it as collateral to pay debts? Signature Loans are based upon your credit score. So the better the score, the more you can borrow. Debt to income ratio figured in on al loans and a collection or judgment will also affect your borrowing ability. You do not always have to have your spouse as a co-borrower, however, we may ask for a guarantor if your credit score is low or your debt to income ratio is high. Signature Loan Specials can be in additional to Signature Loans and you can have more than one Signature or Car Loan at anytime. We will refinance our Signature Loans if you take at least \$3,000 in new money. Loans are reviewed every business day. For all loans, you must qualify under our Lending Policy. This is not our entire policy, but hopefully it answers most of your questions. *Lori*
